150 guys came? You didn't think that was enough?

サンシャインの下の下

Ah...

!?
ドカッ

Why are you fuckers scared?

Ugh..

Them beating you, or me beating you, which do you prefer?

.....

Uu...

GET GOING ALREADY

A-and besides if we don't, we'll really, actually be killed!

.....
L-let's go... it's only 4 guys...
Taking them all together, it shouldn't be a hopeless fight...

O-ok...

LET'S GO!!
ORA!!!
Oh
任せろ

Ga!
バキ

ドドッ
Agh-ah!
There we go!
ガッ
ガッ
ガッ
Gwah!
Uryah!
Ga!

You moron!
ゴッ!!
ガッ!!
A-gah!

Ooh!
ドカッ
Gwoah!
Ouch...
Shiiiit...
How long do you plan on lieing there? Think about how you fight!
March steadily!
Don't fall back!

Ah!?
Maeda, leave the fodder to me.

You sought Kawashima until now.

Go! Quickly!

Ka sai...

Don't worry. Once you're fighting at your best, three people will be more than enough.
We each have to take on 50 people???

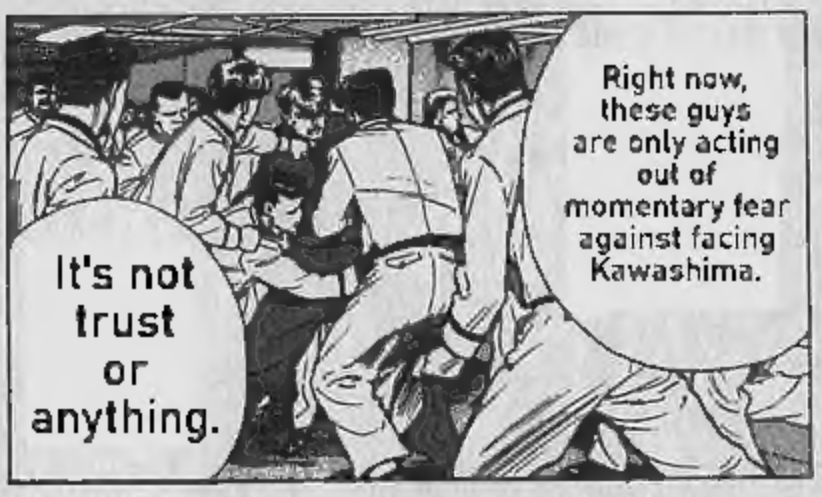
Oi, Maeda, hurry up on!
Jesus christ.

You guys...

Ok.

KAWA
SHI
MAAAA
GET THE FUCK OUTTA THE WAY, ORA!!!

The fuck are you doing!?
Get a hold of him!
Kill him!



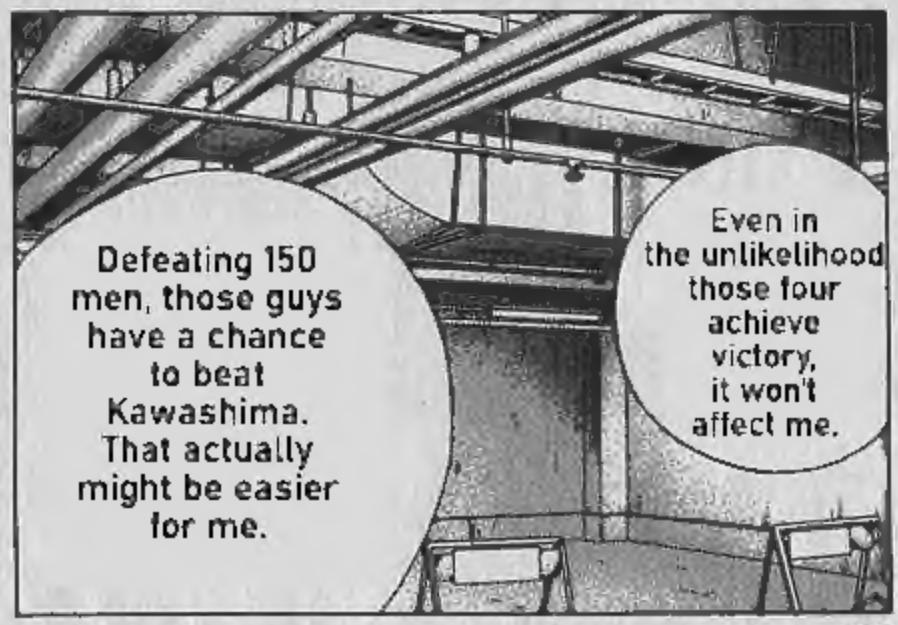
It's not trust or anything.
Right now, these guys are only acting out of momentary fear against facing Kawashima.

Ku ku.

These circumstances... These circumstances are good...
He didn't think it would be bad, these guys losing to those four.

A successful coup-d'etat.
If I get a small chance, he'll be done for.

Ku Ku ku...
No matter how it goes down, I'll be the last competent man to look up to.



Defeating 150 men, those guys have a chance to beat Kawashima. That actually might be easier for me.
Even in the unlikelihood those four achieve victory, it won't affect me.

What are you doing. We're also going in.
Ah...

Hata yama.
Eh...

Oi, what happened to them?
Them?

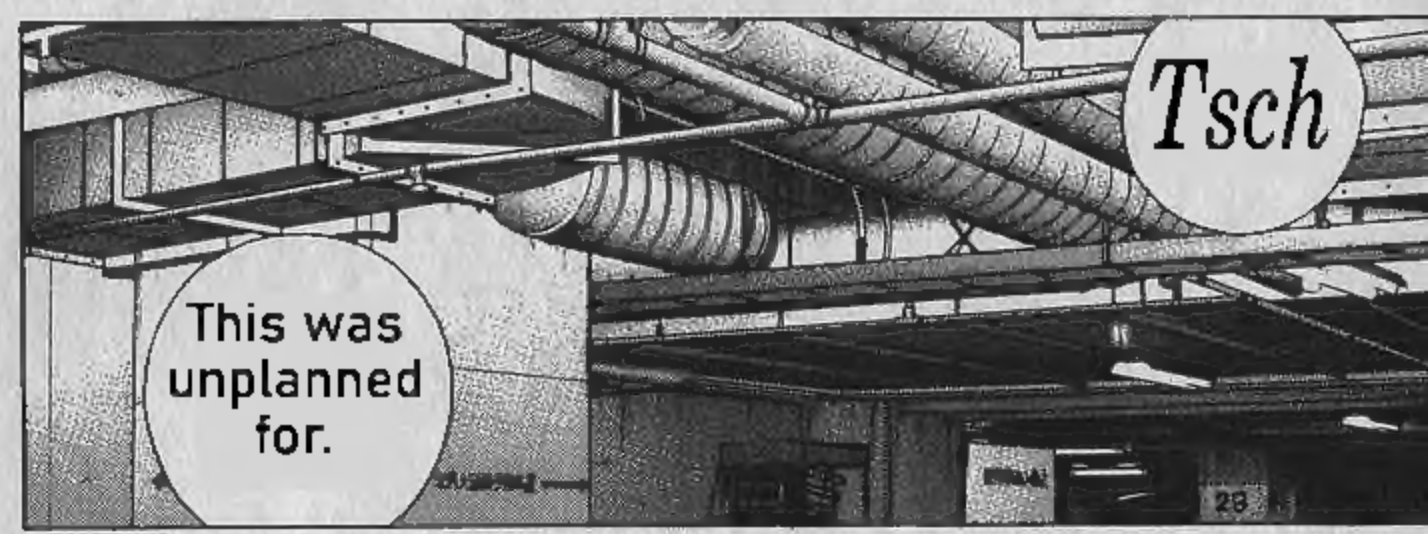
Fu-
Pitiful.

That should be enough to jog your memory.
The hawk and the plum.

Didn't they stop coming to school?
T- Takahashi and Umedzu

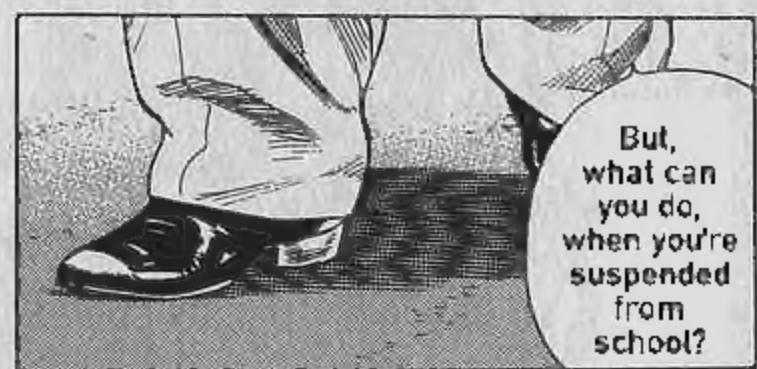
!

Shit... he really got me...
Maybe Kawashima returned to school and heard that lingering rumour...

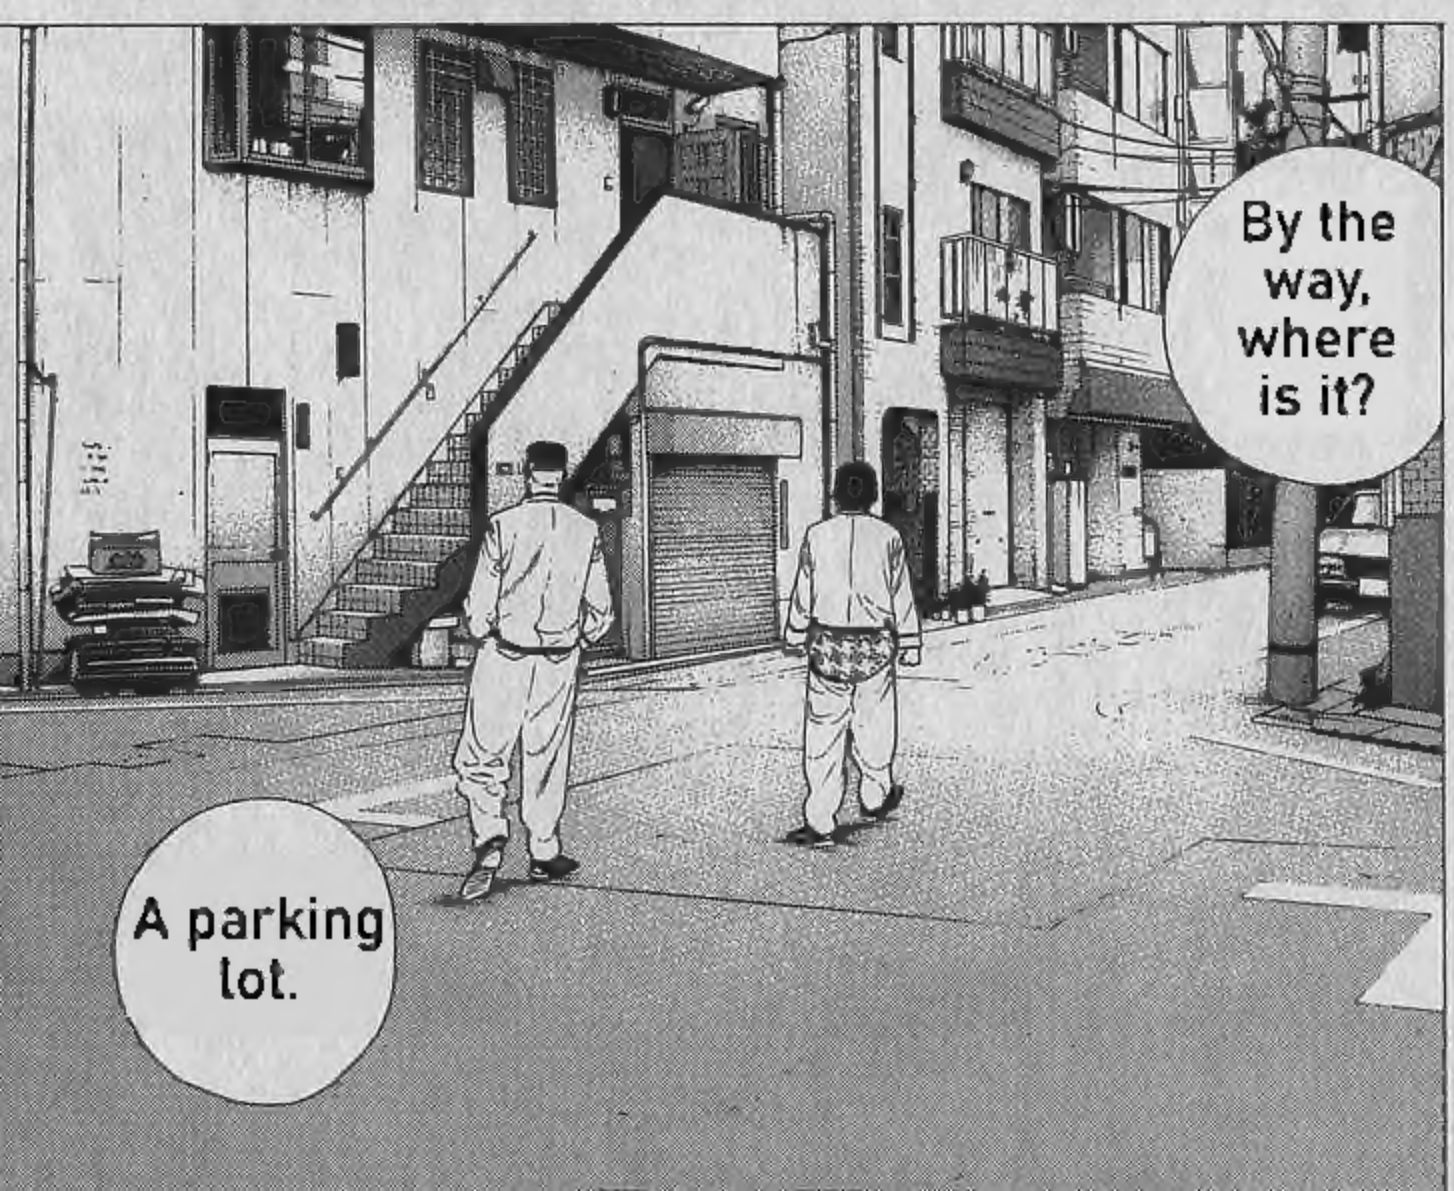


Tsch
This was unplanned for.

Why is it that night bus is always late for just us?
I really overslept



But, what can you do, when you're suspended from school?



By the way, where is it?
A parking lot.
